These dirty rotten Jews are everywhere and have been working for decades brainwashing us Whites with liberal diversity crap. They are now in overdrive to turn Whites into a minority in our own lands and their efforts are getting more obvious by the day.

I've often wished to come up with an all-encompassing brief description of the "Jewish Question." I'm probably being arrogant to assume I have the brain muscle to do it. I'm only trying hard simply to awaken my fellow White brethren to what these rats are up to.

They are the ones behind "PC" and NWO Globalism. You need to tell every White person out there what the creeps are doing to our race. Watch the two videos I have embedded below – least wise until they get censored!

You can see the Jew's long-running brainwashing operations are now turning into a perfect

storm of crazy liberals on college campuses and Antifa violence against any White demonstrations like what happened in Charlottesville last summer. These brainwashed liberals simply go crazy should any of us Whites dare say anything.

The filthy Jews have been in a war against the White race from the start!
