Amy Caprio was on the force for 3 years and 10 months when she responded to a call in a suburban neighborhood, probably from someone who noticed a nearby home getting burglarized or a suspicious car sitting out front.

A lousy 16 year-old black punk, Dawnta Anthony Harris (where do they get those stupid names?), was outside acting as the getaway driver and lookout, as his homies were inside a home ransacking it for valuables. It's unclear whether any home owners were inside held at gunpoint or not. When Harris saw the cop drive up, he took off, but didn't know the road ended in a cul-de-sac. The female cop had him cornered.

Apparently, she got out of the squad car and shouted "get out of the car, get out of the car, get out of the car" when the little bastard fired at least one round at her, then gunned his new model Black Jeep Wrangler 4 wheel drive directly for the woman. A neighbor heard a gunshot, but we don't know for sure if it hit her or not. It's also possible she took a shot

when it looked like he was going to run her down.

She was slammed by the Jeep and run over. Although details are scarce and unreported (since they don't like to do much coverage on such "hush" crimes), the big off road wheels of the Jeep probably ground her up, and maybe she caught a bullet to the face or it hit an artery in the arm or leg and she bled out after getting run over. The little bastard didn't care. They never do — especially if it's a Whitey.

Amy Caprio was married and going away this weekend on a trip with her beloved husband.

ABC "Weekly World News Tonight" did do a report earlier this evening — but the SOBs kind of have to, considering just how callous the 16 year-old was when he killed the woman. They know all us Whiteys out here are getting wise to them hiding black criminal behavior. Plus, being a woman working a man's job is an important angle for the creeps.

Since ABC covered it, you can bet the other channels will too. ABC is the NWO Jew flagship network for America and you will see things here first before the others feel free to touch the story. Watch ABC and you'll see the games they play are the same as CNN and the rest. It's all Jew-rigged for "PC" protection, my friends.

Notice how ABC is completely lying about the business about the Trump collusion/FBI Hillary-loving business (they were several bald-faced lies in tonight's big show). All these Jew tool rats know the exposure of this anti-Trump deep state plot is KRYPTONITE to the lefty Jew political head job they've been running on America.

The worthless black bastards who murdered young Amy will go off to taxpayer hotel for quite a few years — on your dime, of course, mofos. When I say "Teens" plural in my headline, I mean it literally because all 4 of the punks would have killed the woman cop. At least the shooter should be hung by the neck until dead.

These black bastards are going crime crazy everywhere. Thankfully, Whites are starting to notice.
