Have you noticed? Anti-White media is now ramping up to new heights the calling any of us White real conservatives as "FAR-RIGHT." That's the clever little word trick they have to imply the targeted White might hold "Neo-Nazi" sympathies. They want the casual person out there to think of White conservatives as being big evil "extremists" who want to goose step around the place "oppressing" always-so-innocent peeps of color. The dirty Jews have been up to this labeling gimmick for decades.

This past Tuesday, Corey Stewart won the republican primary in Virginia and he’s going up against big SoyBoy democrat, Tim Kaine (right) for senator. Kaine was the VP running mate of her highness, Hillary Clinton — long since exposed as a huge rat willing to do anything to get herself in office as “the first woman prez.” Good thing her and her little Obama minions failed, too.

Just because Corey Stewart was simply opposed to taking down Confederate statues (as am I), the filthy subversive TV Jews are now calling Stewart a member of the “FAR RIGHT” — implying he’s a big Hitler lover and member of the KKK.

My own personal Southern ancestry is being destroyed by these rats and I’m not going to stand them getting away with it any longer. My White heritage matters, too, and I’ll be damned if I’ll let them trash it.

Lefty anti-White media has already decided democrat Tim Kaine should represent Virginia in the senate. Just look at this ridiculous jerk wearing a “doo-rag” like he’s so cool.

YOU CAN’T WIN PLAYING THE “MR. NICE GUY WHITE” ANY LONGER.

You got to understand what these media creeps are up to here. They now believe they can call us whatever they please. We already know they are on the lefty democrat’s side. But they control the airwaves, hence the narrative, hence putting in their own rats in power. Rats openly working to turn us Whites into a minority in our own lands — while also working to destroy the America of our Founding Fathers and keeping everyone at each other’s throats for their cheap whore political agenda.

These are the ones promoting our children to go gay and tranny. These are the ones behind killing the unborn with abortion. These are the ones wanting our lands to be filled up with the flotsam and jetsam of the planet — who live nicely on government benefits paid for by us taxpayers. These are the ones constantly jacking up the blacks every minute whenever a criminal homie gets plugged by the cops, justified or not.

These are the ones manipulating us with their Jewish Neocon Zionist geopolitics and trickery — getting our boys killed in stinking, lousy wars in overseas shithole countries that do SQUAT for America. Hell, we don’t even get cheap gas out of the deal!

Meanwhile, the media acts like it’s a such a newsworthy story when some dumb raccoon climbs up the side of a damn building. They actually did a story on the national news for several minutes on this nonsense.

These are the ones bilking this country dry, enjoying riches you simply cannot imagine. Multimillion dollar penthouses in the city, country estates, fine wines, food and clothing. All for simply working a few hours in air conditioned TV studios — brainwashing Americans with leftist and subversive Jewish BS.

Hell, Chelsea Clinton has never really worked a day in her life, but lives like some kind of Manhattan Queen Bee. The anti-White media Jew, fat-faced Barry Diller, gave her a seat on the board of Expedia with zero experience. The pampered little brat is married to a Goldman Sachs Jew (the wedding alone cost 6 million smackers). She’s also best buds with Ivanka Trump, herself married to a rich Jew boy. Both probably spend more on new shoes in a week than you make in a year.

But so do all those TV talking head anchors and reporters live richly in places like DC, Manhattan and LA. They know what side their bread is buttered on, believe me.

WHITES ARE NOTICING!

And about that comment I keep seeing about how I'm not white because I'm Jewish: Look, as I discussed in my @NYTmag essa

e lefty Jew ops) writes about "Whites noticing their own Whiteness" — meaning we're now becoming aware of our "oh-so-special White privileges" and all that we "get away with." Her and other Jews freely go around lecturing Whites about all this crap!

Jews have been working for decades to turn our race into a spat-upon minority and mess us up in the head. Some

are rich as hell, like George Soros, while plenty of others are enjoying nice incomes like Tim Wise here (yep, he's a Jew).

Notice how we hear ZILCH whenever these creeps attack the White race — unlike us, who if we say the least little thing about practically anything these days, they go haywire on all the TV channels for days on end. YOU CAN'T WIN!

The dirty creeps are working to get liberals to cut-off Trump supporters from their lives. For real. It's like the Chinese “cultural revolution.” They've been after Trump since even before he took office. Every minute they put on White-haters on TV telling fools how to think. They even got on shows like “The View” in the middle of the day for brainwashing stay-at-home White mothers with lefty crap. You should see the BS they push. Just set your DVR and see for yourself.

They say Trump didn't win the popular vote and any talk of illegals voting is “conspiracy theory.” My ass. The traitorous democrats are always pulling trickery in the voting to get their creeps in office. George Soros spreads his millions around to all kinds of left wing operations behind vote rigging and using illegals. His brother is married to the sister of democrat Trump hater, Adam Schiff.

Russia and Hungary kicked his lefty political operations out from their countries. Poland and Austria are not far behind. But Soros' anti-White “color revolution” subversions are alive and well in the US. And he's not the only mega rich Jew SOB doing this to America. Tons of Jews across the political landscape and TV are busy undermining us White people.

The dirty bastards in the media even acted like Canada's Justin Trudeau was the big hero over Trump with that G7 BS. It's like America is nothing to these traitors.

And just think, White guys: Every time you turn on the TV these days you get a giant ration of crap. Allstate insurance now has a commercial on where the wife loudly snickers when her White husband says he can fix a leak in a pipe, then giggles some more when he says he can finish the painting. Us White guys are freely the butt of TV jokes — when we're the guys who built this great nation!

How many times has some stuck-up career broad called you up in the middle of the night to help fix a toilet or get her car started on a winter morning? They sure do forget fast, don't they?

Just who do these rats think they are? I say it's time once again for the Third Estate to put these selfish, corrupt rats in their places. They're going to rue the day they awakened the Noble Saxon. We might be slow to anger, but when we do, watch the flock out jack!

I'm totally ready. Are you?
