Happy Fourth of July WHITE AMERICA!

Happy Fourth of July WHITE AMERICA!

IT TIME TO RUN THESE SUBVERSIVE JEW SOBS RIGHT OUT OF AMERICA!

These are the real creeps behind all the PC BS ensnaring the White race. Pay attention to them on TV — constant promotion of Globalism and flooding of White lands with immigrants from Third World, non-White shitholes. Even the illegal ones. They've been in a quiet "PSYOPS" war with the White Gentile race from the start. On top of all that, the nervy bastards fully expect us to support Mother Israel — where their true loyalties lay. Friggin' traitors!

Happy Fourth of July WHITE AMERICA!
