

Earlier tonight, Trump announced his pick for the Supreme Court would be Brett Kavanaugh.

Frankly, I was hoping he would pick the Catholic chick — just to piss off the pro-Abortion creeps. Yep, the evil bastards are so up in arms about the possibility of Abortion getting outlawed (as it should be), they are positively going freaked about Trump picking another SCOTUS member. They already pegged Amy Coney Barrett as anti-Abortion since she had 7 children. Doesn't matter one whit if two of them are adopted black Haitian orphans — FAKE News knows to tailor the reporting to fit the anti-Trump or anti-White narrative they are pushing currently.

Did you see when that Jew bitch, Senator Dianne Feinstein, gave Amy Barrett a ration about her so-called “dogma infusing her to the core” during federal judge confirmation hearings? She meant Barrett's Catholic upbringing. Yet, these Jew hypocrites would go totally ape should any Christian cast doubts on them because of their Jewishness. Of course, the media said nothing about that angle.

Right now, I'm writing this up even though I'm kind of in pain and drugged up a bit with

low level Oxycondone pills. I broke 5 of my ribs last week in a minor yard accident. I fell off a ladder and landed sideways on top of some landscaping timber and a concrete walkway. I guess the catlike reflexes of my younger days are long gone! But I'm mostly OK and will be back to normal in a week or so. Sorry about not being around much.

I'm against Abortion. I think it's murder. Now, it might be OK if it's the first trimester, but definitely not if the baby has a developed nervous system. Some think it's wrong from the moment of conception. Maybe so. I just don't know if the soul enters or not at that moment. But I'm definitely against it later on. We should never give in to dirty sluts who believe in "convenience" when it comes to all this.

Yep, there's plenty who would kill the baby only days from birth.

Years ago, the lefty media got all up in arms about this late-term abortionist named George Tiller who an anti-Abortion guy shot dead in a church. When researching Tiller, I stumbled across some archived pages of his sales web site for killing late-term babies, and I saw something that totally freaked me out. Tiller had an "[additional services](#)" program where he would give the baby's mother a full blown funeral right after killing her own baby. Flowers, casket, the whole nine yards. Even taking pictures along with the freshly killed baby. Totally ridiculous. The guy definitely needed plugging.

I'm happy as snot Kavanaugh isn't Jewish. I can't stand the Nation-Wreckers one bit, as you already are well aware. Jews are all for aborting the Goyim. They just can't come out and say only "White mothers" — YET. And I can easily foresee a day where the commie bastards legally make Whites get mandated abortions.

If you notice, Jews think they are the great arbiters of legalese. You got Jews all thru-out the justice system — Jew lawyers and judges are everywhere. Trump's 4 finalists didn't appear to have any Jews — I wonder if that was the main reason for the liberals to go off half-cocked about Trump picking another SCOTUS member to replace Anthony Kennedy?

Kavanaugh is IRISH Catholic, which is fine with me.

The Jews really want to rewrite the Constitution. They want the First Amendment changed to protect them from any exposure and the possibility of Nazis threatening their little social engineering dealies. They obviously want to disarm the White race by eliminating the Second Amendment. You can see them talking about doing exactly all this.

America has long been screwed by lefty politics and social engineering fostered by the Jew. It's time for us Whites to come together and fight them every second.
