

**Phillip Marlowe**

Well, I guess you already heard about that nutcase who shot up a synagogue in Pittsburgh by now. This kind of thing plays right into the hands of the brainwashers hard at work keeping Whites mixed the hell up. Whites are definitely way too good for our own sake — ever think that's the case?

Look, virtually all Whites out there are so brainwashed about Jews it's not funny. Hell, they run anti-Hitler and Nazi stuff on TV all the time on TV. Now we get to hear about this Pittsburgh shooting for another 70 plus years.

Apparently, the guy was pissed about HIAS (Hebrew Immigrant Aid Society) promoting the invasion of our lands by Turd Worlders. And that's going on, too. No conspiracy theory at all. I've read what the [creeps have to say](#). Jews indeed have been promoting non-Whites to come into our lands — turning us Whites into a minority. Say one damn thing and they call you a White Nationalist, racist, anti-Semite, Xenophobe, or a multitude of other names they came up with to intimidate us Whites into silence.

Jews have been a major issue to our race for centuries. This immigration angle is their globalist tactic to first destroy our demographics before we all get it about them. They've already turned us into blithering PC idiots — you see it all the time. Call it brainwashing for “just-in-time” racial engineering. Very diabolical plan in effect since the last century. Certainly part of the Marxist Jew agenda dating back to the 19th century, but in

reality just subversive lefty Jewry in general. They don't need secret messaging.

Jews have been kicked out of every single country they've ever lived. Sometimes more than once. If you're a lousy drunk and get kicked out of every single bar in town and blame the bartender every single time, then you might — just might — think the fault is with the drunk himself. Common sense.

Back in the 15th century, Spanish Christians battled with the Moors for decades till finally throwing them out. Then they gave the Jews an ultimatum — turn Christian or get the hell out. Why? Because they colluded with the Moors. Tax-collecting, government bureaucracy, writing laws sending Spanish Christians into dungeons for the most petty of things. Everybody hated them for good reason. Today's Jews never tell you that part of the story. Jews colluded with Muslims in many places to enrich and advance themselves at the expense of the local hoi polloi.

Take out a quarter from your pocket. See those little engraved lines along the edge? Those were invented in England because Jew bankers were shaving off a tiny amount of gold off Goyim coins. They even had a special device to do it. Shave enough coins and you have a nice payday and maybe the Goy won't notice?

Did you know Jews abducted little White children to sell to greasy fat Muslims? Yep, they had rings of Jews thru-out Medieval Europe where they moved the kidnapped kids to ships in Italy and Spain, after castrating the boys. Hell, the Jews out in California sex traffic our women in the porno industry, if you think about it.

Jews were the ones behind the slave trade, bringing in the Africans. You never hear anything about that, do you?

Tens of millions of White Christians died from Jewish-fomented Marxism and at the hands of murderous Jewish police state commissars in the Soviet Union and eastern European countries. No one ever hears anything about all that, only a little on Stalin recently. The history of communism was rarely mentioned for decades in the media, because they didn't want us Goys to dig too much into it.

How about "sacred" Israel? Can't say anything about that foreign nation, either. No matter what they ever do. They even call the leftys supporting the [BDS \(boycott-divestment-sanctions\) movement](#) supporting the Palestinians, anti-Semites on TV. Zionist Israel has long treated the poor Palis like dogs. They want it so you can't say JACK about Jews anywhere on the planet — over absolutely anything they ever do.

Jews have been using the holocaust business against us for years. It's all a big emotional play to make us support Israel. You can't even voice the slightest doubt over this period of history to fellow Whites before they suspect you of being a Nazi. They are totally trained like idiot seals. And most Whites are clueless on all the Jew talking heads on TV, spouting liberal and lefty BS.

Jews are scam artists, swindlers, lefty commies, homos and immoral perverts. They know that if we can talk freely among ourselves, many of us will eventually go Nazi on their pimply Jew butts. Each of them understands that dynamic and works everywhere at keeping us Whites muzzled.

You can't begin to scratch the surface of the Jew subject in one little blog post. You think it's only because of some weird religion? Don't make me laugh. Jews are the ultimate in racial supremacy — exactly what they attack us awakened Whites with.

The Pittsburgh synagogue shooting thing gave them the excuse to take down GAB. Whether it comes back or not, is unknown.

Shooting old Jews in a synagogue was stupid. I know you can get pissed about the Jews, but something like that only plays into their hands. Old Jews are just fine collateral damage for these creeps to take advantage in the brainwashing of Whites.

Hell, blacks brutally [murder us Whites all the time](#) and they obviously work hard to keep the lid on that fact. You can easily see how White victimization is hidden or quickly swept under the rug should they have to occasionally report the worst of it.

Think about it: You can't have really true free speech because of the Jews. They can't allow the Goyim to freely talk about them and what they are doing to our race. They've already so inculcated us with PC, that almost all social media immediately bans us for saying just about anything non-PC. You can't even talk against immigration or abortion.

Look, us Whites are clearly in the crosshairs. Have been for quite some time. Only in the last few years or so, have the White-haters felt strong enough to voice their hate openly. We're now looking at the beginnings of a Chairman Mao-type "Cultural Revolution" to silence those Whites among us who dare speak out. After that, expect us to live like Whites in South Africa, where we suffer horrendous murders daily and are openly discriminated against. Hell, they're already starting it up.

Each of us has to get the word out in any way we can.

HOW IS IT THAT JEWS  
ALWAYS MANAGE TO  
**PROFIT** WILDLY FROM  
"PERSONAL TRAGEDY"?

**ALL GOYIM MUST  
PAY ETERNALLY  
FOR THIS ANTI-  
SEMITIC ACT BY  
A LONE CRANK!**

EXPECT A DOZEN NEW  
"HATE CRIME LAWS" THAT  
FURTHER LIMIT YOUR SPEECH  
AND FREEDOM, LOTS OF FINANCIAL EXTORTION AND  
ENDLESS KVETCHING AND DEMONIZATION OF YOUR  
PEOPLE AND PRESIDENT IN ALL FORMS OF MEDIA.
