

Phillip Marlowe

Remember that video of the two crazy bitches screaming at spineless Senator Jeff Flake on the elevator before he called for more investigations of Brett Kavanaugh? Turns out they work for George Soros' "Open Society Foundation" or whatever lefty organization financially funded by them. This evil Jew "Color Revolution" Globalist has been busy screwing up America and other White countries for decades. Soros is the point man and money bags in the lefty destruction of White lands for the NWO agenda.

Recently, I was chatting with a woman about South Africa's White Boer farmer murders. She proudly proclaimed herself a "super fact checker" and said she would get back to me on the matter. Well, her "super fact checking" turned out to be nothing but an article put out by lefty Salon.com (she didn't say where it came from as she droned on). When done spouting, I told her I knew it was from an article by lefty Salon.com and had already been thoroughly debunked. It took her by complete surprise that I knew right where she got her super-duper "fact checker" crap. I pointedly asked: "You really believe Whites are not targeted and they only had 50 murders in one year of all races?"

That really did it. She screamed at me like a mad leftist banshee out of hell. I merely laughed, which only made it worse. Many women nowadays have gone so totally insane with Jewish BS it's not funny. Or maybe it is. I did laugh.

You have to understand Jews have been targeting our women for brainwashing for decades. All this lefty bullcrap and diversity nonsense about criminal, rapist blacks has been fed to them on a daily basis. In addition to which, they've been jacked up with feminism and anti-White male hate. You can see how they are now carefully distinguishing Whites in the male hate. Specifically older White men, since they want the younger ones to toe the PC BS line. Unfortunately too many will, usually to get in the pants of chicks. Didn't the devil say "get the women and the men will follow?"

JEW PROFESSOR MAKES HATE SPEECH ABOUT WHITE MEN... NO MEDIA OUTRAGE, KEEPS JOB.

Christine Fair, a (((Jewish))) professor at Georgetown university, tweeted violent hate speech about White men because of this Kavanaugh confirmation nonsense. Nothing happened to her. Just look at that gleeful look on her self-satisfied Jew face. White men are now fair targets for such lousy creeps.

The loss of Hillary Clinton to Trump in 2016 really drove lefty women insane. Hillary is still around, yapping her big fat hypocrite mouth (can you believe it?) now jacking us over this Kavanaugh confirmation idiocy. I saw her talking to this big left wing Jew correspondent for "The Atlantic," Jeffrey Goldberg — brother of that smarmy fat creep "Never Trumper" with the Fu Manchu and designer glasses, Jonah Goldberg (right), you see on FOX news sometimes.

These subversive Jews play both ends of the stick, sometimes even within the same family. Causing social and geopolitical trouble and talking about it is a big career path for Jews — jacking us evil Nazi Goyim over every damn thing. The creeps love it!

You got to stop and think about it here: All kinds of White couples have been totally destroyed by this never-ending Jewish social engineering. Fighting, separation, expensive divorce, bitter, childless couples. Even lovemaking has been turned into nothing but an animalistic act. Morality and loyalty has been trashed. The dirty Jews have worked ceaselessly to ruin the White family unit from within.

They've been in a silent war with our race from the start.

Look at movies out of Jewish Hollywood, for crying out loud. Casual sex has been promoted since at least the early '70s. Jews also control most of the porno industry nearby in "The Valley" (San Fernando). They disgustingly treat women like dog meat, and take great pleasure making them do sick crap with blacks onscreen to further degrade our race. This alone should have you completely furious. You know I am.

Come to think, all women should really be up arms about these dirty Jew bastards. Practically all of the exposed #METOO dirtbags were Jewish, as well.

Look at this "LGBTQ...blah, blah" crap. They want as many of us as possible to go gay and tranny. Once they got Obongo boy in as prez and subverted the courts with liberals, they unleashed the homo business everywhere. Us decent Whites don't like these sick nasty

perverts one bit. That didn't stop them from putting shrill sodomites preaching down to us on TV news, or covering the Olympics and various sporting events. They even act like little kid trannys are so wonderful.

Houston, we got a problem: Subversive NWO Jewry is turning America into total sick crap in their quest to destroy the White race. Not one single doubt about it any longer.

So, go ahead and call me "anti-Semitic." Damn right knowing what these self-serving, subversive creeps are like.
