

I'm sick and tired of all the BS out there.  
Got that?

Government traitors blatantly lying to us about 9/11, the New World Order, Iraq and Afghanistan; the devious, trouble-making country of Israel sucking on the good graces of America; the private monopoly parasite called the Federal Reserve ripping us off; Wall Street elites solely out to enrich themselves in any way they can; anti-White Mestizos illegally flooding our lands; the criminally violent and Affirmative Action-spoiled Blacks howling "racism" every 5 minutes; Corporate Globalist whores uprooting the country's manufacturing to increase profits; the media controlled by Zionist Global Elites; Neo-CONS and Israel-Firsters leading us into Mideast wars over the precious State of Israel and Pax Americana; The Globalist Jew Bankers and ever-profit hungry Military-Industrial Complex bilking world-wide conflict; Politicians corrupted by the Globalists, traitorous "American" Zionists and selfish corporate lobbyists; Illegal immigrants spitting on our sovereignty while taking full advantage of the US taxpayer; Israeli MOSSAD spies stealing US secrets and selling our technology to China or anywhere to make a buck; Israel-Firsters and AIPAC manipulating our politicians and this country's elections for Israel; Sicko Homos and bizarre Transgenders openly parading their filth; greedy pornographers freely addicting people to smut; Jews and liberals attacking the White race and White men in the media and education; subversive Jew Multicults openly promoting interracial and homosexual sex for us "Goyim;" foolish Christian-Zionists supporting Israel even though devious Jews actively work everywhere towards Christianity's demise; braindead White sheeple who believe all the BS fed to them by the "talking heads" on mainstream TV and last, but certainly not least — those lily-white, deluded Liberals, who work so hard as enablers for the above — all trying to prove how sensitive and caring they think they are.

What a joke. What a big, fat lying joke on America, anymore.

I've had it with all of this BS,  
How about you?

And this is where I'll say whatever the HELL I want to about it all, regardless of

whether you like it or not.

And I know that a lot of it might tick some of you off — **GOOD!**

**NOTE!** All the Jewish Extremists and Zionists spoken about here are mostly from the Turkish/Hunnish [Khazar](#) kingdom originating in southern Russia (usually called the Ashkenazi), who converted in the 8th-9th century, AD. These are **NOT the true Israelites of the Bible**. These are semi-Asiatic **KHAZAR** interlopers, who donned the cloak of Judaism in the misty past, yet retained ancient criminal and parasitic functions while living among Gentile host nations. Unfortunately, they now look much like Whites. Over the centuries, their subversive and immoral behavior has caused the surrounding Gentile populations to eventually rise up and throw them bodily out, or worse. **This has happened at least 79 times** (some say 109). Now, a semi-hidden Globalist oligarchy has almost total financial and media control of America and other White, European nations (the NWO), as well as having their own stolen country in the Mideast that we are brainwashed and coerced into supporting — **no matter what they do to us or what they make us do to the world for them**. Here, I'll let all these people tell you what I think:

“So likewise, a **passionate attachment of one nation for another produces a variety of evils. Sympathy for the favorite nation, facilitating the illusion of an imaginary common interest in cases where no real common interest exists, and infusing into one the enmities of the other, betrays the former into a participation in the quarrels and wars of the latter without adequate inducement or justification.** It leads also to concessions to the favorite nation of privileges denied to others which is apt doubly to injure the nation making the concessions; by unnecessarily parting with what ought to have been retained, and by exciting jealousy, ill-will, and **a disposition to retaliate**, in the parties from whom equal privileges are withheld. And **it gives to ambitious, corrupted, or deluded citizens (who devote themselves to the favorite nation), facility to betray or sacrifice the interests of their own country, without odium, sometimes even with popularity; gilding, with the appearances of a virtuous sense of obligation, a commendable deference for public opinion, or a laudable zeal for public good, the base or foolish compliances of ambition, corruption, or infatuation...**”

**...Against the insidious wiles of foreign influence (I conjure you to believe me, fellow-citizens) the jealousy of a free people ought to be constantly awake, since history and experience prove that foreign influence is one of the most baneful foes of republican government.** But that jealousy to be useful must be impartial; else it becomes the instrument of the very influence to be avoided, instead of a defense against it. Excessive partiality for one foreign nation and excessive dislike of another cause those whom they actuate to see danger only on one side, and serve to veil and even second the arts of influence on the other. **Real patriots who may resist the intrigues of the favorite are liable to become suspected and odious, while its tools and dupes usurp the applause and confidence of the people, to surrender their interests.**

"The very word "secrecy" is repugnant in a free and open society, and we are as a people, inherently and historically, opposed to secret societies, secret oaths, and secret proceedings. For we are opposed around the world by a monolithic and ruthless conspiracy that relies primarily on covert means for expanding its sphere of influence. It depends on infiltration instead of invasion, on subversion instead of elections, on intimidation instead of free choice. It is a system which has conscripted vast human and material resources into the building of a tightly knit, highly efficient machine that combines military, diplomatic, intelligence, economic, scientific, and political operations. “These hopes were frustrated by the gradual gains in power of the more irresponsible and socialistic elements of the population, guided by the Jews and other anti-Russian races. “Western man towers over the rest of the world in ways so large as to be almost inexpressible. It’s Western exploration, science, and conquest that have revealed the world to itself. Other races feel like subjects of Western power long after colonialism, imperialism, and slavery have disappeared. The charge of racism puzzles whites who feel not hostility, but only baffled good will, because they don’t grasp what it really means: humiliation. The white man presents an image of superiority even when he isn’t conscious of it. And superiority excites envy. Destroying white civilization is the inmost desire of the league of designated victims we call ‘minorities.’”

— *Joe Sobran (well-respected conservative writer who suffered constant attacks on his character because of what he dared say about Israel)*

---

“The inferior races hate the white race precisely because of its superiority. It is galling to the lower races to be reminded of their inferiority, and white superiority instills in them a burning desire to tear down whites and their creations in order to make themselves whites’ ‘equal’. This is not all, however, for tearing down whites removes a burr from their consciousness — that of being reminded of their inferiority — and indeed is an act of revenge for such reminding. Accordingly, when whites are so stupid as to treat the lower races as equals, this but whets the appetite of those races to see whites destroyed, for they see vulnerability in this stupidity, and thus an opportunity for inserting their grappling hooks into the edifice of white civilization.”

— *JBR Yant, Mortal Words v 11*

“I have given my life to try to alleviate the sufferings of Africa. There is something that all white men who have lived here like I must learn and know: that these individuals are a sub-race. They have neither the intellectual, mental, or emotional abilities to equate or to share equally with white men in any function of our civilization. I have given my life to try to bring them the advantages which our civilization must offer, but I have become well aware that we must retain this status: the superior and they the inferior. For whenever a white man seeks to live among them as their equals they will either destroy him or devour him. And they will destroy all of his work. Let white men from anywhere in the world, who would come to Africa, remember that you must continually retain this status; you the master and they the inferior like children that you would help or teach. Never fraternize with them as equals. Never accept them as your social equals or they will devour you. They will destroy you.”

“I will say, then, that I am not, nor ever have been, in favor of bringing about in any way the

And inasmuch as they cannot so live, while they do remain together there must be the position of superior and inferior, and I, as much as any other man, am in favor of having the superior position assigned to the white race.”
