

Race War... It's Coming!

This vid is constantly censored by Yids across the net, because it will have your blood boiling! Must watch.

The genocide of the White race, engineered by the International Jews. Continuously deleted by Youtube at the behest of embedded ADL Jews. They fully realize how powerful it is. Watch the above streaming embed from elsewhere while you still can.

[DELETED BY JEWS at Youtube multiple times](#) *The video is too well-done and strong for the Jews to allow Whites to see. Watch now while you can.*

“White Race Suicide” by Dr. William Pierce and ARES. MUST WATCH!

Who do you trust?

The American Dream

Explains simply the money system rip-off of America.

How Nations Die!

Who runs the US Media? See all the behind the scenes chicanery of Jews to keep you in the dark about the real behavior of Israel.

TV = Mind Control. The Jews/Zionists have been behind all this manipulation of America since the very beginning. Look up the Jew propaganda master, Edward Bernays (cousin to Freud). Turn it off!

The Council of Foreign Relations. Although the Council does not admit what it's final goal is, the truth behind it is becoming more obvious, when we see who's participating and how the council gains more and more control. Note, at the 2:38 mark, the brief mention of the control of tax-exempt foundations (see next video). The CFR was created by the same people (Paul Warburg, for one), in the same year as the Federal Reserve and the ADL! Today, at least 20 out of the 33 members of the Board of Directors are known to be Jewish, including the President, Richard N. Haas: [BOARD of Directors CFR](#). Many of the rest are married to Jews.

Norman Dodd, lead investigator for the 1953/54 Reece congressional investigation into Ford, Carnegie, Rockefeller, Guggenheim tax-exempt foundations. In an interview filmed shortly before he died in 1982, he tells us about these groups working to control US education to brainwash America's children, eventually leading to "Oligarchial Collectivism" or communism controlled by a self-elected "elite" (the NWO). Folks: It's all very real. Full interview here: <http://www.youtube.com/watch?v=YUYCBfmIcHM>

Eustice Mullins – The Neo Zionist Order. A 10 part interview with Eustace Mullins on Israel, world Zionism, the Federal Reserve and more. [[source](#)]

The Speech that got John F. Kennedy killed? Five months before he was assassinated, Kennedy issued Executive Order #11110, which bypassed the Federal Reserve (see below) and allowed for the printing of currency based on silver bullion owned by the government. But the whole thing was never put into place when LBJ came into office (who was super pro-Zionist and almost certainly a crypto-Jew).

Kennedy alludes to those behind it all when he says these people are based on "covet means." This is the International Jewish bankers, the same people who started WWII and maybe even WWI. Kennedy knew the deal, since his daddy was acquainted with them, through Wall Street and as ambassador to England.

Also, Kennedy wanted to send nuclear inspectors to visit Israel when they were building the bomb. Pay close attention to what he said in this speech and think for yourself! [this is the full speech — go to video 2]

If Americans Knew, Update. Because of how powerful the video is among liberals, the Zionist Jew ADL people are doing everything they can to get the powerful video “If Americans Knew” taken down. **And they did, too (censored link removed from here).**

The Israel Lobby: The full documentary from the Dutch Public TV. Segmented, full English versions available on Youtube (for now). Download PDF of the discussed Harvard study here: [The Israel Lobby](#). Book is now available, but Jews threatened and had it classified as “Conspiracy Theory” on Amazon and on major bookseller’s shelves. (English and some subtitles: 50 minutes)

What Don’t You Get, White People?

Go here for more videos: [Jew Reality Page](#). It will make you reevaluate absolutely everything that these people want you to think. Also, videos on the Talmud, the Kosher tax and the Jew’s horrible cruelty towards animals (part of the Kosher slaughter process) — all of which you’ll never, ever hear one damn thing about in the mainstream Jew-controlled media.

WAKE THE HELL UP, AMERICA!

Some videos may get deleted by embedded ADL Jewish Censors at Youtube, or other Jews elsewhere. Youtube videos will say “removed for terms of service violations” or sometimes “user terminated,” meaning they don’t want you to see it and the particular video and Youtube account can be deleted without too much notice from the masses.
