

Collection of original videos I created on the situation facing America and the White race.

Please feel free to download and upload my videos anywhere and everywhere. Links to a MP4 file is provided below each video. Also, remember that embedded Jews at Youtube and elsewhere may delete it and give you an infraction on spurious reasons, or possibly even delete your account (like they did to me several times). If you do upload to a video site, just give me credit and a link back to my home page if you can. Thank you.

**NOTE:** The address displayed at the end of almost all videos, "incogman.wordpress.com," is no longer valid since WordPress censored me. Will try to fix.

Watch this video I created on the Jewish Extremists and Marxists who have pushed for radical, socially corrosive movements in the US and other White Western countries for their own selfish political and racial agendas.

**"Western civilization at the present day is passing through a crisis which is essentially different from anything that has been previously experienced. Other societies in the past have changed their social institutions or their religious beliefs under the influence of external forces or the slow development of internal growth. But none, like our own, has ever consciously faced the prospect of a fundamental alteration of the beliefs and institutions on which the whole fabric of social life rests ... Civilization is being uprooted from its foundations in nature and tradition and is being reconstituted in a new organisation which is as artificial and mechanical as a modern factory."**

Watch the video that the Jews don't want you to. Will have you reevaluate the TV brainwashing completely. Supremacist Zionist Jews have gone out of their way to get this video and my video accounts trashed many times off the Internet.

**The censoring Jews definitely don't want you to see this one, folks!**

*Israeli snipers have just brutally gunned down two defenseless Palestinian woman protestors. Distant footage of this totally unnecessary Jew evil can be seen in my video above, "Wake Up to the Real Deal." I would appreciate you taking the six minutes to watch it. Thanks.*

*9/11 showed that we are sheep. Nano Thermite particles proves 9/11 was an inside job.*

Are White Americans sheep? Considering the recent physical evidence that 9/11 was an Inside Job and where the USA is now going, one would be hard-pressed not to come to this sorry conclusion.

Watch my latest video (above) on the subject, with information on the Nano-thermite or "Super-thermite" evidence discovered in the debris of the World Trade Center destruction. This is from a peer-reviewed study, by nine scientists from various countries and was published in OPEN CHEMICAL PHYSICS Journal. I talked about it here in [9/11: The Smoking Gun?](#) For an essay on the study, by Jim Hoffman, please go here: [9/11 Research: Explosive residues](#)

Also, I tie all this together with the Zionist Power Structure and the obvious direction they are now taking America with Obama, just like the "Shabbos Goy" Bush before him.

**The Original White "Extremists"**  
DELETED FROM BLIP TV, YOUTUBE, VEOH AND SEVERAL

In 1776, we went to war with England to gain our sovereignty and the right to control the issue of our own money. It's been a hidden war to keep those rights and we lost it in 1913 with the passage of the Federal Reserve Act. The Federal Reserve is neither "Federal" nor a "Reserve," but the private cash cow of the International Banking cartel of Zionist Jews.

These are the forces that really control our money and where this country is headed. The White race is truly in jeopardy due to the social changes and Global ambitions of these hidden parasites.

**The Eternal Jew in America**  
DELETED FROM BLIP TV, YOUTUBE, VEOH AND SEVERAL  
OTHER VID SITES COUNTLESS TIMES.

The movie "The Eternal Jew," released by the Nazis in 1940, is banned and illegal to show in many countries today. The above video is my shortened, quicky version where I took some clips from the film and juxtaposed still images from current events. I wanted to keep it brief, no longer than 10 minutes (to fit most video sites). You have my permission and urging to download and upload to any video site. I appreciate any efforts to get the video spread around the Internet. I don't have enough time to do it all myself. If possible, give me credit

and a link back to this blog. It may get deleted soon enough, but some will still see it.

*Some videos may get deleted by embedded ADL Jewish Censors at Youtube (for real), or elsewhere due to Political Correctness by other Jews and spineless White liberals kowtowing the Jew efforts in destroying our race. They often even take down entire servers and hosts just to keep you in the dark!*
