

The Jew Brain Warp screwing up White people

How Political Correctness works: The Asch Experiment

Group Polarization and the Fad of Ethnomasochism

Make clear note that many of the supposed “anti-Racist Whites” shown in the above video are really Jews. The “comic” Louis C.K. (real name Szekely) is at least half Jewish, mentored and heavily promoted by overpaid Jew “comic” Jerry Seinfeld. You can easily see that “Maoist Rebel” (what a commie Jew name) is clearly Jewish. Larry King is Jewish. The band NOFX is a bunch of Jew punks from the Los Angeles area, making big bucks by attacking the White race.

Why such Jews push the “PC” mantra and are so against us “evil White racists” is because they don’t really SEE THEMSELVES AS WHITE. These self-absorbed, arrogant bastards see themselves as “God’s Chosen,” and even have the nerve to call themselves “The light upon nations.” The hypocrites always play the “victim” but never admit what they do (like in Israel). Jews work ceaselessly to push insane political and social programs on to the rest of us and are often described as “Nation Wreckers” for damn good reasons.

10 fallacies, among others, used in pseudo-scientific claims that “races don’t exist.” This is merely supporting material for the Reality of Human Races video:

Race is more than just skin color. Science & Human evolution vs the Egalitarian ideology.

Race is biologically real. Dr Neil Risch, Stanford University study, published in The American Journal of Human Genetics, 2004: <http://www.pubmedcentral.nih.gov/arti...>

Multiculturalism as a weapon for World Government. Start from here. Read the history of

the fall of civilizations:

- Oswald Spengler “The Decline of the West” (Der Untergang des Abendlandes).

Other authors: Friedrich Ratzel, Feliks Koneczny, Anton Hilckman, etc...

In particular, Samuel P. Huntington (“Who Are We? The Challenges to America’s National Identity”) is influenced by Koneczny to a large degree.

The “Davos Man” is the global elite who “have little need for national loyalty, view national boundaries as obstacles that thankfully are vanishing, and see national governments as residues from the past whose only useful function is to facilitate the elite’s global operations” — Samuel P. Huntington.

The “Davos Man” refers to the World Economic Forum in Davos, Switzerland, where leaders of the global economy meet.

[Date Rape by blacks](#) and sexually transmitted diseases. Over 100 White women are raped daily by Blacks, according to the DOJ. Did you know that nearly half of black males have herpes? And that 60% of new AIDS patients are Negro, because so many are willing to go on "the down low."

Ask yourself this: Where are all the anti-Apartheid activists and White liberals now? They don't care about White people, only their personal fantasies of “Multiculturalism” exploited by Jewish inner hatred of Whites and their wish to slowly erode our race, without us going all pogrom on their asses.

Please don't watch if you can't handle sick stuff.

Horribly gruesome police detective video from South Africa of a White family

coming home from church, surprised, viciously and heartlessly murdered by a Negro gang. Video is not in english, but you can tell what happened to these poor people. This is what can happen to Whites at the hands of the violent black race at large — anywhere. Click on my “Negro Crime” topic in the red category cloud (on the left) to read some real life crimes against White people here in the US itself.

The Aryan people — watch this and think. This is where Whites originally came from and now America is over there killing people for Israel and the Jewish NWO. Israel is now trying to get us into war with Iran, because they want to be the only ones in the Mideast with the Bomb — which they never tell you about on TV.

What Don't You Get — YET, White People?

Videos often get deleted by embedded ADL Jewish Censors at Youtube or PC

Whites elsewhere. Youtube videos will say “removed for terms of service violations” or “account terminated,” meaning they don't want you to see it and the particular video can be deleted without too much notice from the public at large.
