

OK, here's the deal in a nutshell via this quicky graphic of what I and a lot of other people say about the so-called holocaust (see videos below):

Graphic from [Gemarrudolf's site](http://www.gemarrudolf.com/). Just read down the list and THINK! Threatened with jail in his native Germany (just for saying the above — think about that), Rudolf fled to America for [political asylum](#), married an American citizen and had a child over here. But the Zionist-manipulated US government had him arrested and deported back to Germany where the Zionist power structure in control of Germany, too, had him thrown into the slammer. For real. And he isn't the only one who had this sort of thing happen to him, either. Considering

what some people have gone through over this long ago historical period, I would think you could at least spend a lousy few minutes reading a little on the subject, or maybe watching a short video or two.

WHAT THE ABOVE graphic basically says is that the whole bit about “industrial gassing” and the 6 million number is a crock of bull defecation. Below are a multitude of reasons why anyone in their right mind should have serious doubts on the whole thing.

First reason:

The Jews were bandying around the 6 million number since World War *ONE* and even before, actually. Get that WW ONE there. That’s from 1914 to 1918, for all those who failed World History.

Why? Because some of their Talmudic religious people said that 6 million Jews would have to be a “burnt sacrifice” before the “nation of Israel” can come back into existence. That’s right. This is why the crematoria and body burning stuff figures so prominently in the holocaust legend. It is readily apparent that insanely rich Global Zionist forces have subscribed to this belief system, and have used it to justify their actions in stealing Palestine from the people who lived there, even though they had absolutely nothing whatsoever to do with any so-called “holocaust.”

Here, look at [THIS LINK](#). It has a bunch of newspaper ads and articles going back way before WWII showing the Jews had a major hard for the 6 million figure long before Adolf Hitler.

Just go to this [ONE EXAMPLE](#), from a Jew named Dr. Paul Nathan who writes in a New York Times article dated 1906, that the Russians were trying to “systematically exterminate” the 6 million Jews living there. This is just after International Jewry purposefully helped Japan defeat the Czar in the 1905 Russo-Japanese war by financing Japan and backroom deals to deny loaning any American or Western banker’s money to Christian Russia (pretty sorry since Czar Nicholas’ grandfather stood behind Abe Lincoln during the American Civil War).

In the 19th century and early 20th, Commie and Anarchist Jews were the original “domestic terrorists” of Russia, dedicated to overthrowing the Christian monarchy, destroying Gentile business owners (the evil “Capitalists”) and tearing the country apart so Jewry could take over. They finally succeeded after many years with the Bolshevik Red revolution of 1917, which was actually financed by extremely rich Wall Street banking Jews like Jacob Schiff and the Warburgs (Kuhn and Loeb banking house). This is a matter of historical fact, even though almost all Jews will totally lie to your face about it to this day.

Most Commies were indeed Jews, even those in the US itself (often “crypto-Jews,” or Jews with changed names hidden from the public). Why do you think the supposed “Evil

McCarthyism” of the 1950’s is such a favorite topic for Hollywood movies and PC talk? Because it was the lousy Jews getting exposed, that’s why.

Second reason:

Back during WWII, the Jewish propaganda organs for America and Britain had been busy jacking up our countries left and right on how evil Hitler was (as you can see, the Jew propaganda over this guy is still going strong to this day). They had to continue the justification for the war, especially after all the dead American GI’s (about 418,000, virtually all White Gentile men), the horrific killing of between 600,000 and one million German civilians by aerial bombing and why we just happened to be allies of the murderous Communists (who would now assume the role of boogiemans so the military/industrial complex and banker Jews could further milk our tax dollars until something new came along).

When the German concentration camps were opened by American troops in spring of 1945, inmates at a few of the camps (many non-Jews, as well) were sickly, some dead and dying from typhus, cholera and starvation brought on by all the insane allied bombing of Germany during the last few months of the war — just look at what the allies did to Dresden. The entire country was laid waste (vengeful Jews still love thinking about it).

All the emaciated bodies — dead or alive — made perfect propaganda imagery for the Zionists really behind the war, so they made full use of it, along with totally fabricated evidence in skin lampshades, soap and shrunken heads (taken from museums) — all supposedly made from the sad sack Jew inmates, so the Germans would look evil.

The intelligence/propaganda arm of America had on hand special Jewish agents and even film crews, like Billy Wilder, a big-time Jewish Hollywood director at the time (funny, how he was there at the right moment, huh?) to direct films and newsreels of the concentration camps getting liberated (please watch the video “Why America believes in the Holocaust” below).

Unlike US General Eisenhower’s POW camps, where around a million captured German soldiers were purposefully allowed to die through starvation and exposure in muddy fields after the war was over (bet you didn’t know that); the Germans did everything they could to minimize the deaths of Jews in the camps (they even had inmate hospitals for crying out loud). Then the whole system finally broke down due to the massive bombing campaign against Germany and advancing allied armies. Tens of thousands of concentration camp inmates died from typhus, but only at a handful of camps. Sure, many Soviet prisoners died from starvation and were worked to death during the war, but the Jew numbers were far less than what they want you to think, probably on the magnitude of the Armenian “holocaust,” or upwards of 1.5 million tops.

Hell, the Brits had the exact same typhus problem killing South Africa’s Boer women and children (German Dutch colonizers), locked up in the world’s very first concentration camps

(no, it wasn't the "evil" Germans who invented these); back when the Imperialistic Brits stole the place for diamonds and gold during the Boer war of the late 19th century.

The Germans fully understood such diseases were spread by biting fleas and lice, so they fumigated everything with something called Zyklon B to kill insect carriers. All the camps had special rooms built to "delouse" the inmate's clothing and suitcases before storage. Zyklon B was pretty much just like "Raid" bug spray and only used as a fumigate (it wasn't at all efficient for killing larger creatures like people quickly). Nor did the Germans have any sort of protective venting built into the supposed "gas chambers" (which were really just body storage cold rooms for the cremation of the daily dead from a very large slave labor population, with plans for expansion).

This disease-fighting effort came back to bite the methodical Germans in the ass big time.

At Treblinka, the Jews say the Nazis used exhaust from the diesel engine of a captured Soviet tank to gas Jews. They later tried to say it was from a captured Soviet submarine engine, which the evil Germans supposedly sailed up a freshwater river to the camp! This diesel CO2 exhaust business was a totally ridiculous way to kill masses of people quickly, especially considering how much the Germans needed precious fuel for the war effort. More tellingly, the Germans could have easily built simple wood burning stoves to generate far greater amounts of carbon monoxide than diesel engines (they knew all about this technology). Germany also had plenty of deadly nerve gas which they could have used, yet never once touched their stocks.

Zionist Global Jewry does not have the close control necessary to keep the holocaust story line straight (any open effort would be too easily noticed by the Goyim). In the years following WWII, this led to imaginative (but ignorant) little city Jews coming up with absolutely crazy stuff like electrified floors, suffocation using air vacuum pumps, even Jews riding along on conveyor belts in little chairs and having steel bolts driven into their heads (the insane idea was stolen from non-Kosher slaughter houses).

Totally impossible accounts from attention-seeking Jews are all over the place, yet Jews

Over the years, many holocaust photos have since been exposed as fake, like [this famous one here.](#)

everywhere still expect you to believe every last word (or at least keep your mouth shut) — if you don't, then you're an evil "Nazi!" Jews have long used this slanderous tactic to get other non-Jews around you to think that before they might listen to a word you say.

And Global Jewry often rewrites history to suit their racial propaganda agenda (including black history for "White guilt" PC programming). On a number of occasions, they've been [caught red-handed](#) making up crap but the Jew BS still continues even now. Turn on the TV and watch it in real time.

These never-ending Globalist Jew efforts have been greatly helped by their long-nurtured PC and by the liberals and Jews in the mainstream media — even FOX news is really just another PC bastion — they all basically work to keep our little brains occupied while they gradually and silently undermine our race in what was once our own lands. Pay attention and you'll see it.

Unfortunately, most people out there still foolishly and blindly accept whatever they see on TV as fact (like everything you read in a book must be true). It's actually been a long-running racial brainwashing effort, or "PSYOPS" program on all us befuddled "Goyim" (what the arrogant Jews call non-Jews) in the now formerly White countries of the West. Sucks royally, once you stop and consider just how many of us White Christian guys died in WWII, laying waste to fellow White people in Germany.

All these so-called "death camps" (6) were behind Soviet lines and impossible to visit for decades (to this day, Jews go overboard to prevent the least research at them). Many little Jews have long tried to say the camps in Germany were used for purposeful industrial killing, but even Israel's "Yad Vashem" museum has long been forced to admit that was never true (along with all the skin lampshades, shrunken heads and soap crap touted as evidence of "German barbarity").

The Soviets had used blatant genocide propaganda (including faked evidence and [photos](#)) against Nazi Germany all through-out WWII. The Global Zionists simply continued and built on these Soviet lies ever since (Jews were all through-out Communist Russia from the beginnings). After the fighting ended in Europe, vengeful Polish and Soviet Jews, or American and British Zionist intelligence units, violently *tortured* German POWs of all ranks to make often impossible "confessions" that are still in use today.

Yep, they sure as hell did do all that.

Pastor Steve Anderson explains it pretty well.

LOOKS LIKE THEY GOT IT REMOVED!
The Holocaustianity – Zionism's Big Lie

From [Zion Crime Factory](#). His Google blogs were constantly getting censored by Jews, but he now has it on his own domain and hosting. Go to his link!

Holocaust historians claim Treblinka was a death camp where 870,000 Jews were put to death in gas chambers, and then buried in mass graves. In 1999, Richard Krege, a qualified electronics engineer, carried out a high tech exam of the soil.

Ground Penetrating Radar can detect minute earth disturbances and small objects up to 30 meters down. After 3 weeks work the team found the ground has never been disturbed, and, core sample analysis revealed no ash. The results obtained by the researchers show with 100% certainty that mass graves never existed in the areas called Treblinka and Belzec. The Zionist manipulated creation of Israel was largely based on these alleged deaths, and several million more which supposedly occurred at Auschwitz.

LOOKS LIKE THEY GOT THIS ONE REMOVED TOO!
The "archeology" was so obviously phony, they couldn't let people see this video, even though it was pushed on TV.

www.youtube.com/embed/47rbRNSGQUs

The Treblinka Archeology Hoax

The Treblinka Archaeology Hoax debunks Zionist British Archaeologist Caroline Sturdy-Colls' fraudulent "investigation" of Treblinka, which included digging near clearly marked Christian graves claiming to find new "hidden mass graves," falsely assigning homicidal intent to a normal life-saving shower room at Majdanek, and misidentifying a terra-cotta tile excavated at Treblinka as belonging to the floor of a homicidal "gas chamber."

Please watch another Treblinka video below for more information.

Third reason:

Global Jewry wants the White people of the West to feel guilt and sympathize with the Jews, so we support Zionist Israel (long a project of the "Money Trust"). Jews play this victimhood violin every chance they get, so we don't get ticked on how they behave in America and how much of our taxpayer's money we give to Israel (somewhere over 10 billion a year, making it well over 100 billion since the late '90's that we know about, but could be tons more).

They also don't want us to say anything on how they treat the Palestinians (it's really quite evil), as the Zionist Jews openly steal the land from them, blasphemously calling it's God's

will. This is why so many regular Muslims now hate America and want to kill our ass.

They've also blackmailed the Germans for over 65 billion dollars, plus substantial taxpayer subsidies to build five sea-going, nuclear weapons-capable, incredibly silent submarines for Israel (why do the Zionists need those?). And Jews everywhere still want even more!

“The alleged Hitlerite gas chamber and the alleged genocide of the Jews form one and the same historical lie, which opened the way to a gigantic political, financial fraud, whose principal beneficiaries are the State of Israel and international Zionism, and whose principal victims are the people of Germany - but not their rulers - and the entire Palestinian people.”

— *Robert Faurisson*

Sometime in the mid-to-late 1970's, Global Jewry made a decision to turn up the holocaust propaganda dial on America (see below). Surely you've noticed how prevalent the holocaust brainwashing has become and how it keeps getting more intense by the year. America now has something like 16 holocaust museums (a substantial part of the budgets are paid for by your state and federal tax dollars). They have plans for even more. In Europe, they are even making holocaust indoctrination classes mandatory for small school children! That's already occurring in America, to some extent.

Also, make clear note of all the constant “Evil Nazis” and holocaust stuff on TV channels like the “History” Channel and NatGeo they are playing these days. They are trying their best to amp up the brainwashing because Americans are now getting so sick and tired of “PC.”

After WWII, people knew that Jewry suffered under the Nazis. Sure, that much is a given. And there were massacres on the Eastern Front (Russia), but most of those were retribution at the hands of local populations (like the Ukrainians and Latvians) who suffered greatly for decades from Communist Jews. In fact, tens of millions of Russian Gentiles were starved to death, killed with a bullet in the back of the head in basement murder rooms or machine gunned in open fields. The CHEKA and NKVD secret police were heavily staffed and managed by Bolshevik Jews.

A police state Jew named Isay Davidovich Berg actually invented the mobile, carbon monoxide gassing vans disguised as “bread wagons” to save money and time with NKVD executions in Moscow.

In 1957, the government of the Soviet Union publicly admitted that 20 to 40 million had been killed since the Bolshevik Revolution of 1917. A statistician friend of Alexander Solzhenitsyn, working in the Kremlin, pegged it at 66 million killed over the decades since the end of WWI. Stalin's henchmen were unquestionably Jewish communists. A Stalinist Jew guy named Lazar Kaganovich is thought to be the biggest genocidal mass murderer of the 20th century — responsible for the deaths of nine million people. Sadly, most Americans have never even heard his name.

Jews know all this to be a fact. That's why you rarely see JACK in the US media on this period of history, like on the "History" Channel. Think about it.

It's actually White people who have suffered far more purposeful genocide than Jewry or any other race — most definitely far more than the Jews and quite possibly as much or more as the Chinese under Mao! Jews are absolutely no better than the Nazis and many Jews know this.

Right now, the Jews are doing to the Arab Palestinians pretty much what they endlessly say happened to them 65 years or so ago from the Nazis. Ironic, isn't it? Unless, of course, you're a Palestinian and then it's *tragic*.

Jewry may in fact be the most genocidal race on the planet. The Talmud considers all non-Jews (like us White people) to be cattle and dealt with as they see fit. Jewry also believes God has promised them the entire planet. Many orthodox Jews even believe that once the "Mosiach" (Jew Messiah) comes, he'll put to the sword everyone but the sacred Jews!

This whole business of "industrial gassing" has clearly been a giant Jewish/Zionist created "psyops" gig on the West. They played up the Jew victimhood *schtick* (actually changing the methods of mass death several times) to get the West to recognize the formation of Israel in 1948, but didn't have the political and media power to openly push more lies down our throats until later.

"I've checked out the six volumes of Churchill's Second World War and the statement is quite correct - not a single mention of Nazi 'gas chambers,' a 'genocide' of the Jews, or of 'six million' Jewish victims of the war. Eisenhower's Crusade in Europe is a book of 559 pages; Churchill's Second World War totals 4,448 pages; and De Gaulle's three-volume Mémoires de guerre is 2,054 pages.

In this mass of writing, which altogether totals 7,061 pages (not including the introductory parts), published from 1948 to 1959, one will find no mention either of Nazi 'gas chambers,' a 'genocide' of the Jews, or of 'six million' Jewish victims of the war."

— Richard Lynn, Professor Emeritus, University of Ulster, [December 5, 2005](#)

Little Jewry has been so affected mentally by the holocaust propaganda, they go bonkers whenever anyone has the least little doubt about the holocaust (like me). This bunch has basically turned psychotic, screaming "never again" every five minutes. In Europe, the Jews have even passed laws passed to throw you in jail should you publicly utter a word. That's right. Lawyers for "denier" defendants can even be jailed just for bringing up evidence that supports their client's case! Can you believe that crap?

They want this same kind of censorship here in the US, too. In fact, the Jews have extremely well-funded, organized operations like the Anti-defamation League (about 45 million a year budget), dedicated to covering up and obfuscating of any inconvenient facts about the

holocaust and Jewry in general. Hell, the mainstream media itself works totally in conjunction with Jewry to keep Americans stupid.

Youtube videos are often targeted by the Jewish Anti-defamation League (ADL) for deletion on anything they don't like, especially the more powerful, persuasive and polished. Youtube actually works in conjunction with Jew special interests to get things taken down by using bogus "terms of service" violations. All of Denierbud's "One Third of the Holocaust" videos were removed for years — obviously because he's way too persuasive — even though the man went overboard with the caveat "I don't hate Jews..." But that's never enough for Jewry, especially when it goes against whatever BS they want you to believe. Watch whatever Denierbud videos below, go to his site (if it's even still up) and read what the man says — you'll see.

It's a constant battle to get the real truth out. Will you add your voice to the effort?

Holocaust, Hate Speech & were the Germans so stupid?

If you're new to the "holocaust question," then you must watch this video from Anthony "Tony" Lawson, retired TV commercial director from Britain. Vimeo embed above since Youtube deleted it by using a totally bogus, lying excuse of copyright infringement. It's too powerful for the Jews to let too many Goyim see it.

From Anthony Lawson:

Suppressing free and open discussion on any subject is as bad as telling lies, and knowingly suppressing the truth is the biggest lie of all, because it is based, not on a mistake or a genuine error, but on a deliberate intention to deceive.

Having been tortured, Rudolf Höss, who was the commander of Auschwitz from 1940 to 1943, almost certainly lied to save the lives of his wife and children. Even if torture and duress cannot not be proven, the overwhelming reason for recognizing the utter falsity of the Höss confession is that the gassing method he described was not scientifically plausible. Yet Höss's conviction has stood, by inference, as a testament to the cruelty of Germans in general, since he was tried at Nuremberg, in 1947, and subsequently hanged on April 16th, 1947, in Poland.

With great respect for those who have tried—though harassed, punished, fined, imprisoned and otherwise abused—to tell it like it really was: Arthur R. Butz, Robert Faurisson, Paul

Grubach, Gerd Honsik, David Irving, Kevin Käther, Nicholas Kollerstrom, Fred Leuchter, Horst Mahler, Ingrid Rimland, Germar Rudolf, Bradley Smith, Sylvia Stolz, Fredrick Töbin, Ernst Zündel and many others.

DENIERBUD'S VIDEO SITE TAKEN DOWN BY JEWS!

Denierbud investigated the inconsistencies and math behind a great deal of the Holocaust. His videos were so persuasive that the Jews went overboard in getting his videos removed from Youtube. To get his logical and very strong evidence out there, Denierbud has set-up a website, totally removed from all the Jewish efforts at censorship (for now) of this **EXTREMELY** important look at **THE BIGGEST LIE** of the 20th Century. You **MUST** spare just a few minutes and go to Denierbud's separate website to watch episode #1, #11 and the conclusion video. Or watch the whole series. It's that important. Go here: [One Third of the Holocaust](#) (gone!).

GONE!

[This link is for one of his two sole videos left on Youtube.](#) It is on some scurrilous evidence presented at the Nuremberg War Crimes Tribunal and the second is on how they censor him over a lousy Reader's Digest article from 1943, but not some sex videos. Here's that other "allowed" Youtube video: [Denierbud on him being censored on the Reader's Digest video.](#)

OK, HERE IT IS:

How many Jews were killed at Auschwitz? Watch this and ask yourself: Why do these Jews still *insist* on 6 million?

Holocaust historians claim **Treblinka** was a death camp where 870,000 Jews were put to death with carbon monoxide (engine exhaust), and then buried in mass graves.

In 1999, an Australian team led by Richard Krege, a qualified electronics engineer, carried out a high tech exam of the soil using Ground Penetrating Radar, which can detect minute earth disturbances up to 30 meters down. But after 3 weeks of work the team found the ground had never been disturbed and numerous core sample analysis revealed no ash or bone particles (there should have been millions of loose teeth alone).

The results obtained by these researchers show with 100% certainty that mass graves **never** existed in the areas called Treblinka and Belzec. The Zionist-manipulated creation of Israel was largely based on these alleged deaths, and several million more which supposedly occurred at Auschwitz.

The “Holocaust” business has been a giant lie. Probably the biggest in all history.

*Many “holocaust denier” videos get deleted by embedded ADL Jewish Censors at Youtube, or other Jews elsewhere. Youtube videos will say “removed for terms of service violations” meaning the lousy Jews don’t want you to see it and the particular video can be deleted without too much notice by the Sheeple. Links to little blogs, like [Zion Crime Factory](#) (this is at least the 3rd link I’ve pasted in for him), also get deleted because of organized Jew pressure. Zion Crime Factory deleted **AGAIN**. Try this link: <http://sixmillionmyth.blogspot.com/>*

Jews simply can’t have the public knowing anything about them (other than thinking they are so smart and victimized for no reason), or having the least doubt about the holocaust.
