EVIL RACIST ANTISEMITE NAZI SPEWS HIS FILTH

Video by JULIAN LEE — A truly decent and concerned White man.

Mr. Lee knocks it out of the park with this video. Please email, link, do whatever you can to spread this video around to everyone you know.

ALL WHITE PEOPLE NEED TO WATCH THIS VIDEO NOW!

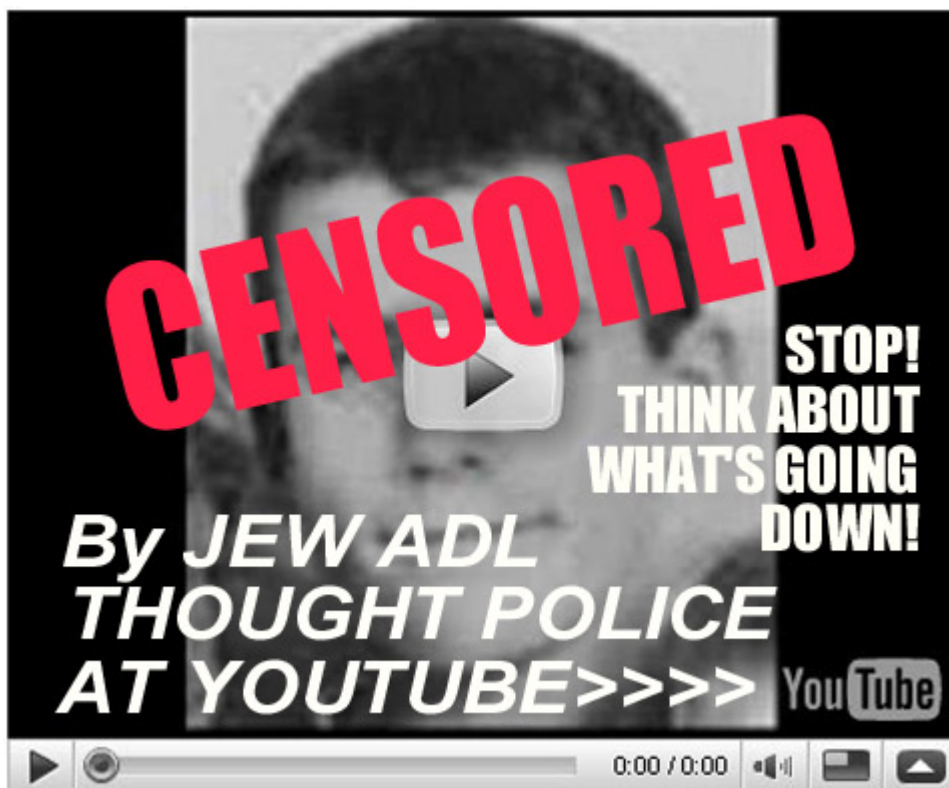

Europe in 2029

White Europe is in worse danger than ever before. Fight multiculturalism and immigration. Support those, who are accused of being racist, nazi, islamophob, extremist, xenophob ... They are just telling the truth. /// for czech people: <http://www.white-media.info>

Group Polarization and the Fad of Ethnomasochism

Make clear note that many of the supposed “anti-Racist Whites” shown in the above video are really Jews. The “comic” Louis C.K. (real name Szekely) is at least half Jewish, mentored and heavily promoted by overpaid Jew “comic” Jerry Seinfeld. You can easily see that “Maoist Rebel” (what a commie Jew name) is clearly Jewish. Larry King is Jewish. The band NOFX is a bunch of Jew punks from the Los Angeles area, making big bucks by attacking the White race.

The reason such Jews push the “PC” mantra and are so against us “evil White racists” is because they don’t really SEE THEMSELVES AS WHITE. They see themselves as “God’s Chosen,” or “The light upon nations,” always the “victims” (the arrogant hypocrites never admit what they do), and work to push their insane political and social programs on to the rest of us.

DELETED FOR THE SECOND TIME

Multicultural madness is a short film about the tragic consequences of unchecked non white immigration into white countries. Thousands of girls raped and murdered, media silence, these are just a handful of their stories. By Earl Turner.

International Bureau of Double Standards—The CNN/Iran File

MUST WATCH VIDEO By Tony Lawson

Lousy, stinking Jew “settlers” stoning little Palestinian kids on Palestinian land. The Khazar Jews are stealing this land because they think God (total BS) gave it to them — and Americans go along with it!

Hundreds of boogs invade a Walmart in Jacksonville, Florida, screaming, laughing, looting, robbing and taking cell phone videos of it all. Blacks are truly animals!

Israelis fast tracked into

US with new TSA screening program, Israel refuses to do the same for Americans.

Israel does not participate in the Global Entry Program and does not allow US citizens fast track entry into Israel. They require special treatment for Jews and the federal government kow-tows to them. Homeland Security grant regulations are written to favor Jews over other religious, cultural or politically affiliated groups.

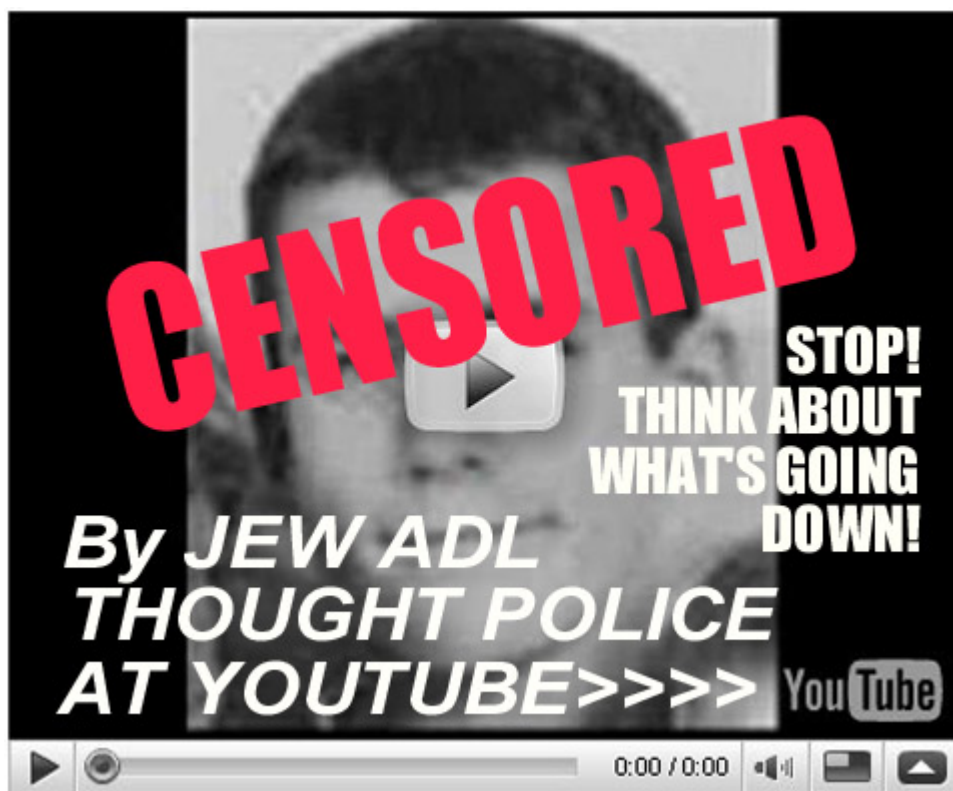

Financial analyst

Joachim Martillo says Jews behind financial collapse.

Dreams from MY REAL Father. The story of Reds and deception.

I wrote here in 2008 that the commie pervert Negro, Frank Marshall Davis, might be Obama's real baby daddy. Lots of people are now saying the same thing.

They'll call this video racist.

Africa for Africans,

Original Savage Chick says it like it is. WATCH and listen to what she has to say.

David Cole and Mark

Weber on Montel Williams show

Can you just IMAGINE what would have happened if Weber or Cole had discussed the MAGICAL NUMBER 6 MILLION NUMBER being-used way back before WWII? Can you JUST IMAGINE what kind of waves THAT would have caused?

Ghandi on Hitler and the Jews.

WOW! Youtube took this out? I guess the stinking Jews just can't have people know what "Mr. Peace" Ghandi said about them.

The media doesn't care about Whites getting murdered. They deleted the video, because they can't have you see just how bad it is.
