**So how come you never saw anything about this crime?**

Pacific Southwest Airlines Flight 1771 was a commercial flight that crashed near Cayucos, California, United States, on December 7, 1987, as a result of a murder-suicide scheme by one of the passengers. All 43 people on board the aircraft died. The man who caused the crash, David Burke (born May 18, 1952), was a disgruntled former employee of USAir, the parent company of PSA.

### The British say NO to White genocide

Watch Jew, black “poet” and blond “theologian broadcaster” spew a bunch of typical crap and then poll results come in.

Why Feminism is Genocide ~ Dr. William Pierce

“Jogging while White.” Video on the Christopher Lane murder by “Orwell’s Daughter.”

**The Origins of Holocaustianity started by Jewish extremists.** Watch this to see the BS these Jews are doing to our heads. Should you be pissed? Damn right. They get away with brainwashing America how they please.

**When Israel is mighty.** Listen carefully to what this Hebrew-speaking Jew writer says, especially after the 6 minute mark. This is the Supremacist mindset behind International Jewry. Think about what they did to Russia when the Bolsheviks took over, killing tens of millions of “goyim.” Think it can’t happen again?

White people: What don’t you get — Yet?  
Thanks, GD Jews!

**Anti-Racist Hitler: WATCH NEXT VIDEO FIRST!**

Before you see the video, you need to know about some quotes that take place in the Anti-Racist Hitler video. It has some quotes taken from this person (she starts talking at 38 seconds of the video). In the above video, "Hitler" directly quotes this lady almost word for word in one of his speeches.
